

# Environmental Policy Statement

**Earthco Civil Ltd** has established this environmental policy, programmes and practices to reduce risk to the environment, the organisation and conduct business activities in such a manner to protect the environment. It provides a framework for the setting and review of environmental objectives in addition to our commitment towards the following:

- Protect the environment, including the prevention of pollution.
- To sustainable resource use, climate change mitigation, protection of biodiversity and ecosystems.
- Conform to applicable legislative, regulatory and compliance obligations.
- Continually improve our environmental management system and to enhance environmental performance.
- Always consider how to reduce, reuse and recycle materials for our projects
- Educate, train and promote employees to work in environmentally responsible manner

This policy complies with ISO 14001:2015 and PAS 99:2012.

We have produced environmental objectives and targets which relate to this policy. All objectives set are measurable and ensure continual improvement.

This policy is communicated to all interested parties as well as being made available to the wider community.
