

Quality Policy

Earthco Civil Ltd has established this quality policy to align with the purpose and context of our organisation. It provides a framework for setting and reviewing objectives, while supporting our commitment to meeting customer, regulatory, and legislative requirements and continually improving our management system.

Customer focus: We are committed to understanding our customers' needs, meeting their requirements, and striving to exceed expectations.

Leadership: Our Managing Director fosters a work environment where people are fully engaged in achieving our objectives.

Engagement of people: We recognise that our people are central to our success, and their full involvement enables us to perform at our best.

Process approach: As an organisation we understand that a desired result is achieved more efficiently when activities and related resources are managed as a process or series of interconnected processes.

Improvement: We have committed to achieving continual improvement across all aspects of our integrated management system; it is one of our main annual objectives.

Evidence-based decision making: As an organisation we have committed to only make decisions relating to our IMS following an analysis of relevant data and information.

Relationship management: We recognise that an organisation and the relationship it has with its external providers are interdependent and a mutually beneficial relationship enhances the ability of both to create value.

Our policy is also to meet the requirements of other interested parties and in meeting our social, environmental, charitable, regulatory, and legislative responsibilities. The system complies with ISO 9001:2015 and PAS 99:2012.

This policy is communicated to all interested parties as well as being made available to the wider community.
